The Bloom saver Cut Flower Caddy

The Bloom saver is a tool specifically designed for the flower gardener to facilitate the gathering and proper conditioning of flowers. The Bloom saver is designed to carry 3-4 dozen cuttings immersed in water.

\$35.00

The Koryu Shears

Koryu shears are made of high carbon steel, both handsome in design and uniquely suited for cutting both delicate stems as well as the toughest rose canes. The unique "butcher" design of the Koryu shears with its thick and sturdy blades gives the gardener maximum leverage and comfort.
